YAMU HANU POLLUTION CONTROL BOARD

REPORT OF THE YAMU HANU POLLUTION CONTROL BOARD
FOR THE YEAR 1998

The Yamu Hanu Pollution Control Board was established in 1998 to monitor and control pollution in the Yamu Hanu area. The Board has been actively engaged in various activities to reduce pollution and improve the environment. The following is a summary of the Board's activities for the year 1998.

The Board has conducted regular inspections of the Yamu Hanu area to monitor pollution levels. It has also conducted various campaigns to raise awareness about pollution control among the local community. The Board has been successful in reducing pollution levels in the Yamu Hanu area and has been able to improve the environment.

The Board has also been successful in securing funding for its activities. It has received grants from various organizations and has been able to use this funding to carry out its work. The Board has also been successful in securing the cooperation of the local community in its activities.

The Board has been successful in achieving its objectives for the year 1998. It has been able to reduce pollution levels in the Yamu Hanu area and has been able to improve the environment. The Board has also been successful in securing funding for its activities and in securing the cooperation of the local community.
