

Form VI
Annual Report on Plastic Waste Management for the State of Tamil Nadu

Period of Reporting- 2023- 2024

A	General	
1	Name of the State/UT:	Tamil Nadu
2	Name & Address of SPCB/PCC:	Member Secretary, Tamil Nadu Pollution Control Board 76, Mount Salai, Guindy, Chennai -600 032 Email: memmsec@tnpcb.gov.in
3	Contact E-mail:	pwmsec@tnpcb.gov.in
4	Contact Phone No.	044- 22353145/ 8056042268
5	Details of Plastic Waste Management (State Level)	
	• Collection (MT)	559971 tonnes
	• Segregation (MT)	272844 tonnes
	• Processing including recycling (MT)	139141 tonnes
	• Disposal (MT)	
B	Mechanism of Plastic Waste Management	
1	Summary of the mechanisms put in place for management of plastic waste in your State/UT along with the details of agencies involved (Please attach the details)	Annexure A- Initiatives under taken by Tamil Nadu towards SUP Ban Annexure B- Districtwise Awareness and Enforcement activities
2	Please attach details of infrastructure put in place for management of plastic waste generated in your State/UT	
3	Total no. of MRF Facilities	766
(a)	No. of Mechanical MRF Facilities with capacity	0
(b)	No. of Manual MRF Facilities with capacity	766
C	Plastic Waste Generation, Collection, Segregation & Characterization	
1	Total Numbers of the Urban Local Bodies (ULBs) in the area under jurisdiction	649
2	No. of ULBs who have submitted Annual Report	Yet to submit
3	Total Numbers of the Gram Panchayat (GPs) in the area under jurisdiction	12525
4a	Total number of Panchayati Raj institution at District Level	388 Panchayath Unions
4b	No. of Panchayati Raj institution at District Level who have submitted annual report	Not submitted
5	Please confirm that all GPs/ULBs have provided complete information in stipulated time as per format prescribed by CPCB (Yes/No)	No
6.	Please provide no. of ULBs/GPs which have not submitted complete information within the stipulated time frame	• 388 Panchayath Unions not yet submitted • 1 (Chennai corporation) submitted beyond due date

		• 20 Corporations and 138 municipalities submitted on time						
7.	Please provide total amount of EC levied on PRI at District Level / ULBs who have not submitted annual report as per prescribed timelines under the rules		Nil					
8.	Quantity of Plastic Waste generated (Tonnes) as per CPCB methodology (Cat I/Cat II/ Cat III/Cat IV/Cat V/ Others)		643760 TPA					
9.	Quantity of Plastic Waste collected (Tonnes)		559971 TPA					
10.	Plastic Waste Segregated (Tonnes)		272844 TPA					
11.	Please confirm that all Local Bodies/ GPs have carried out Assessment of Plastic Waste Generation & Characterization as per methodology specified by CPCB (Yes/No)		No					
12.	Please upload Plastic Waste Characterization Report as per methodology specified by CPCB		-					
13.	Please confirm that data validation and reconciliation for ULB and PRI at District Level has been done as per methodology specified by CPCB (Yes /No)		No					
D Extended Producer Responsibility Implementation								
1.	Total Number of ULBs registered on EPR (To be auto fetched from EPR portal)		3					
2.	Details of Plastic Waste Processors (To be auto fetched from EPR Portal)		Details provided in Annexure C					
3. Plastic Waste Processed through PWP's (TPA)								
	Type (Recycler/Coprocessors/Waste to Energy/Waste to Oil/Road Making)	Financial Year	PW (Cat-I)	PW (Cat-II)	PW (Cat-III)	PW (Cat-IV)	PW (Cat-V)	Others
	Recycler	2022-23	20532	6314				
	Coprocessors	2022-23		57259.6	53707.5			
	Waste to Energy	2022-23						
	Waste to Oil	2022-23		367				
	Recycler	2023-24*	691					
	Coprocessors	2023-24*	109.9	5631.3	5279.7			
	Waste to Energy	2023-24*						
	Waste to Oil	2023-						

		24*					
* The data furnished is as per the data available in the data available in the EPR portal. The deadline for annual filing for the financial year 2023-24 has been extended to September 30, 2024.							
4. Audit & Levying of Environmental Compensation (EC) (To be auto fetched from the EPR Portal)							
(a)	No. of Entities (PIBOs/PWPs) audited						1
(b)	No. of Entities (PIBOs/PWPs) found in violation						Nil
(c)	EC levied on violating Entities (PIBOs/PWPs)						Nil
E. Implementation of ban imposed under Rule 4 including on identified single use plastic items, plastic carrybags having thickness less than 120 microns							
1	Total number of commercial establishments/ Institutions & Hotspots in the area under jurisdiction						
(a)	-Commercial establishments: Malls, Cinema Halls, Airports, Railway Stations, Metro Stations						830561
(b)	- Institutions: Schools, Colleges, Office Complex etc.						22762
(c)	-Hotspots :Tourist spots, Sabzi Mandi, Wholesale market, Fish Market, Flower market, Religious Places etc.						6335
2	Total No of Inspections (Data Auto fetched from SUP Compliance Monitoring Portal)						268,912
3	Total No of Commercial Establishment and hotspots closed for SUP Ban Violation						
4	Total No. of Industries inspected (Data Auto fetched from SUP Compliance Monitoring Portal)						173
5	Total no. of industries closed for manufacturing banned SUP items						28 units
6	Total Fine imposed (Rs.) (Data Auto-fetched from SUP Compliance Monitoring Portal)						351 lakhs
7	Quantity of Banned SUP seized(Tons) (Data Auto-fetched from SUP Compliance Monitoring Portal)						298 tonnes
8	Total No of Commercial establishment and hotspot made SUP free						40
9	Details of mode of disposal of seized SUP						
	Qty of SUP Seized (T)		Mode of Disposal (Recycling/ WtE/WtO/Co-processing/ roadmaking)		Name & Address of the Plastic Waste Processor		
Details provided in Annexure D							
10.	Details of Entities producing Alternatives including compostable plastics						
	Sl.No.	Name of Entity	SUP Alternative	Processing Capacity (TPA)		Address	
Details provided in Annexure A (ii) and A (iv)							
11.	No of Complaints received on SUP grievance App (Data Auto fetched from SUPGrievance redressal app)						56
12.	No of Complaints resolved (Data Auto fetched from SUP Grievance redressal app)						7
F	Enforcement of Plastic Waste Management Rules						

1.	Details of Registered Plastic Raw Material Manufacturing Units			
	Total No:	Capacity:		Product
	1	366000 tons per annum		Manufactured
				PVC Resin
2.	Details of Registered PWP (Non- packaging) Processing Facilities			
	Total No:		Capacity:	Product
	206		9683 TPM	Manufactured
				Plastic pots, hose pipes, HDPE pipes, injection moulded compounds, industrial bags, LDPE pipe fittings, Milk and oil pouches, PVC granules, PVC pipes etc.
3.	Details of Unregistered Manufacturing or Recycling Units (in residential or unapproved areas).			
	Total No:		Capacity:	Product
				Manufactured
4.	No. of ULBs which have framed by-laws			Municipal Corporations- 20 Municipalities- 138 Town Panchayat- 490
5.	No. of violations & action taken on non-compliance of provisions of PWM Rules, 2016, as amended, 2018 (Rule 12)			9459
6.	Total no. of violations (Burning/ Littering/non-registration and other non-compliance)			53 (Burning)
7.	Action Taken (Fine Imposed / Closures issued)			Attached in Annexure A I

Background

Plastic waste has numerous implications on the environment and health. The plastic waste dumped in landfills leaches into the ground and nearby water systems causing land and water pollution and ultimately reaches the food chain. The uncontrolled burning of the waste, including plastic, causes air pollution. In addition, the clogged plastic waste in sewerage systems further pollutes rivers and groundwater. The plastic in food and water can cause severe health issues such as genetic disorders, and endocrine system damage. According to the United States Environmental Protection Agency, all the plastic waste ever generated is still present on Earth today, this makes sustainable management of plastic waste important.

The United Nations defines single-use plastics, often referred to as disposable plastics, as being commonly used for plastic packaging, including items intended to be used only once before being thrown away or recycled. These include grocery bags, food packaging, bottles, straws, containers, cups and cutlery. Single-use plastic is the most popular kind of plastic due to its easy access and high use. While it is cheap, strong and hygienic for transporting goods, it is the most difficult to recycle. Plastic carry bags are produced using less energy and water and generate less solid waste than paper bags as they take up less space in landfills. These salient features of single-use plastics make it a preferred material in commercial use.

The adverse impacts of single-use plastic have created an alarming situation across the globe with a call for countries to make commitments against plastic pollution. The management of single-use plastic waste requires using an integrated model that focuses on minimizing plastic waste generation, improving waste management through improved collection services, a recycling industry and ensuring the safe disposal of waste to controlled (scientific) landfills. To do this, the model should focus on adopting a circular economy approach that looks at recycling good quality plastics and different ways of minimizing the production and usage of single-use plastic including plastic carry bags.

The Government of Tamil Nadu engages with various stakeholders in the decision-making process on managing plastic waste such as Research Institutions, State advisory bodies and Experts in the field to tackle the crisis and finding solutions. In the process, the State engages with stakeholders in changing the habits of

consumers, retailers and manufacturers, enacting strong policies that push for more sustainable solutions.

Government Notification of ban on one time use and throwaway plastics

The milestone in the process is the implementation of plastic ban through an issue of Government Order in the year 2018 by the Government of Tamil Nadu. The Government of Tamil Nadu, notified G.O. Ms. No. 84 dated 25.06.2018 under Section 5 of the Environment (Production) Act, 1986 imposing ban on manufacture, storage, transport, supply, sale and use of 'use and throwaway plastics' such as plastic sheets used for food wrapping, spreading on dining table etc., plastic plates, plastic coated tea cups and plastic tumbler, water pouches and packets, plastic straw, plastic carry bag and plastic flags irrespective of thickness with effect from 01.01.2019. As per this notification, 'No person including shopkeeper, vendor, wholesaler, retailer, trader, hawker or salesman shall use 'use and throwaway plastics'' A significant step of the ban is the banning of the plastic carry bags of any size and thickness including manufacturing and usage across the State.

List of Government Orders

- ⬆ The Government of Tamil Nadu under the Chairmanship of Chief Secretary has constituted a Steering Committee vide GO (Ms) No.92 dated 05.07.2018 to monitor the overall implementation of the ban.
- ⬆ Regional workshops were conducted to generate awareness in all districts towards achieving the goal of 'Plastic free Tamil Nadu'.
- ⬆ For effective implementation of plastic ban throughout the State, three Regional Coordinators were appointed vide **G.O (Ms) No. 82 dated 15.06.2018** to work in close co-ordination with the District Collectors and Municipal Commissioners as well as the Chairman, Tamil Nadu Pollution Control Board

The Tamil Nadu Pollution Control Board in co-ordination with line departments has taken action for effective implementation of the ban on plastic, which includes awareness programmes through regional conferences, district environmental committee meetings, rallies at district headquarters, messages through social media, display board in national highway toll gates and so on.

MoEFCC Notification dated 12.08.2021 – Single Use Plastic ban from 01.07.2022

The Ministry of Environment & Forests, Climate Change, Govt. of India vide notification dated 12.08.2021 has issued Plastic Waste Management (Amendment) Rules, 2021 in which certain Single Use Plastic items such as plastic/PVC banners less than 100 microns, cutlery items, ear buds with plastic sticks, plastic sticks for balloons, plastic flags, candy sticks, ice-cream sticks, polystyrene [Thermocol] for decoration, plates, cups, glasses, etc are prohibited from 01.07.2022. Also, plastic carry bags less than 75 microns and non-woven plastic carry bags less than 60 Gram per Square Metre (GSM) have been prohibited from 30.09.2021 and plastic carry bags less than 120 microns have been prohibited from 31.12.2022.

The state of Tamil Nadu enforces ban on use and throwaway plastics especially plastic carry bags and non woven bags are banned irrespective of size and thickness scrupulously from 01.01.2019 onwards. However, certain Single Use Plastic items such as plastic/PVC banners less than 100 microns, cutlery items, ear buds with plastic sticks, plastic sticks for balloons, candy sticks, ice-cream sticks are followed by the state of Tamil Nadu from 01.07.2022 as notified in the Plastic Waste Management (Amendment) Rules, 2021.

The detailed list of banned Single Use Plastic by Government of Tamil Nadu and MoEFCC, Govt. of India is given as follows.

S. No	Banned SUPs by Govt of Tamil Nadu & MoEF&CC
1	Plastic sheet / cling film used for food wrapping
2	Plastic sheet used for spreading on dining table
3	Plastic Thermocol plates
4	Plastic coated paper plates
5	Plastic coated paper cups
6	Plastic teacups
7	Plastic tumbler
8	Thermocol cups
9	Plastic carry bags of all size & thickness
10	Plastic coated carry bags
11	Non-woven Carry Bags of all size & thickness
12	Water pouches / packets
13	Plastic straw
14	Plastic flags

S. No	Banned SUPs by Govt of Tamil Nadu & MoEF&CC
15	ear buds with plastic sticks
16	plastic sticks for balloons
17	candy with plastic sticks
18	ice-cream with plastic sticks
19	polystyrene [Thermocol] for decoration
20	Cutlery such as plastic forks
21	Plastic spoons
22	Plastic knives
23	wrapping or packing films around sweet boxes
24	wrapping or packing films around invitation cards
25	wrapping or packing films around cigarette packets
26	plastic or PVC banners less than 100 micron
27	Plastic stirrers
28	Plastic trays

Enforcement activities on ban on Single Use Plastics

As per G.O. Ms. No. 84 of Environment & Forest (EC.2) Department dated 25.06.2018, the District Environmental Engineers of TNPCB shall ensure prevention of manufacture of the banned plastic items.

In spite of various awareness and enforcement activities, it is found difficult to identify all plastic units manufacturing banned items which may co-exist and operate illegally in a small space within residential/commercial establishments. Most of these units are highly unorganized without proper registration with any of the Government authorities and function purely on temporary basis. In order to identify such units, TNPCB has issued a press release on 23.11.2021 to seek the co-operation of the public to protect the environment in eradication of single use plastics on informing the details of illegally operating banned plastic manufacturing units to the respective jurisdictional District Environmental Engineers, TNPCB through email / letter / phone calls / Whatsapp.

The units which are manufacturing throw away plastics illegally are identified during regular inspection and monitoring process and also brought to the knowledge of the Tamilnadu Pollution Control Board by way of complaints and other information. In view of the above, from January 2019 to March 2024, Tamil Nadu Pollution Control Board has issued directions for Closure and disconnection of power supply to **236 industries**

who involved in the manufacture of banned single use plastics which include non-woven carry bags, plastic carry bags, water pouches, plastic coated paper cups, etc.

As per G.O. (Ms) No. 84, Environment and Forests (EC.2) Department, dated: 25.06.2018, the Commissioners of Municipal Corporations and the District Administration of other areas shall ensure prevention of storage, supply, transport, sale distribution and use of the banned plastic items. Subsequently, the Tamil Nadu Government vide Gazette Notification dated 21.02.2019 has notified Tamil Nadu Municipal Laws (Second Amendment) Act, 2019 and the Tamil Nadu Panchayats (Second Amendment) Act, 2019 in which the 'Penalty for breach of by-laws made for prevention of use and throw away plastics' is notified against large & medium commercial establishments and small commercial vendors.

S. No	Offences	Fine for first time offence	Fine for second time offence	Fine for third time offence
1.	Storage , supply, transport, sale and distribution of use and throwaway plastics	Twenty five thousand rupees	Fifty thousand rupees	One lakh rupees
2.	Use and distribution of use and throwaway plastics in large commercial establishments like malls, textile shops and super markets	Ten thousand rupees	Fifteen thousand rupees	Twenty five thousand rupees
3.	Use and distribution of use and throwaway plastics in medium commercial establishments like grocery shops and pharmaceutical shops	One thousand rupees	Two thousand rupees	Five thousand rupees
4.	Use and distribution of use and throwaway plastics in small commercial vendors	One hundred rupees	Two hundred rupees	Five hundred rupees

In this regard, surprise raids and seizures are being effected in all shops, Hotels, restaurants, markets etc., for complete eradication of such type of plastics. There were 233,741 raids conducted from April 2023 until March 2024 of which 244 tons of banned Single Use Plastics were seized and 313 lakh rupees of fine amount were levied.

The details of the violators, nature of Violations and the action taken on non compliance of provisions of PWM rules has been provided in the Initiatives annexure A i.

In accordance with the Guidelines of Environmental Compensation issued by the Central Pollution Control Board, TNPCB has addressed the Municipal Administration and Water Supply Department and Rural Development and Panchayathi Raj Department for the updation of the compensation rates with respect to the latest Environmental Compensation guidelines. The detailed revised rates are as given below:

Violator	Violation	Environmental Compensation		
		First Violation	Second Violation	Third Violation
Stockists/ distributors	Stocking and distribution of prohibited SUP items or Selling products in plastic bags which are not complying with provisions of PWM Rules	₹ 2,000	₹ 5,000	₹ 10,000
Commercial establishments	Selling of prohibited SUP items or Selling products in plastic bags which are not complying with the provisions of PWM rules	₹ 2,000	₹ 5,000	₹ 10,000
Street Vendor	Selling of prohibited SUP items or Selling products in plastic bags which are not complying with the provisions of PWM rules	₹ 200	₹ 500	₹ 1,000
Waste Generator	Waste not segregated	₹ 500	₹ 1,000	₹ 2,000

Violator	Violation	Environmental Compensation		
		First Violation	Second Violation	Third Violation
Institutional Waste Generator	Waste not segregated	₹ 5,000	₹ 10,000	₹ 20,000
Waste Generator	Waste littered	₹ 500	₹ 1,000	₹ 2,000
Institutional Waste Generator	Waste littered	₹ 5,000	₹ 10,000	₹ 20,000
• Person responsible for burning plastics • Industries	Burning Plastic	Rs. 5000 per incident of burning Rs. 25,000 per incident of bulk burning		

Special enforcement drive on SUP ban in Tamil Nadu

Tamil Nadu Pollution Control Board has carried out strict enforcement of Single Use Plastic ban and accordingly intensive activities were carried out during March to December 2023 and March 2024. As per the instructions of the Central Pollution Control Board with focus on Street Vendors, Flower and Fruit Sellers, Local Markets, Wholesale Markets, Industrial Areas, checking at interstate borders checks at borders, inspection of concerned industries, etc., and in this regard, representatives of the concerned departments / local authorities / Boards were deployed in the inspection team for the enforcement of SUP ban. The total inspections, violations, amount of seizures and the fines undertaken during the special enforcement drive is as given below;

Type of Location	Inspections	Violations	Seizure	Fines
Local shops	13514	3670	18	15
Wholesale market	9188	2220	13	12
Hotels and restaurants	9342	2286	11	9

Interstate transport	3127	837	11	3

People's Campaign against throwaway plastics

Though the Government of Tamil Nadu had brought a complete ban on manufacturing storage, supply, transport, sale and distribution of 14 types of "Use and throwaway plastics" from 01.01.2019, still the ban has not been effectively implemented after the Covid-19 pandemic situation and a lot needs to be done to make the "plastic ban" a success.

The Government of Tamil Nadu has made an announcement on the floor of the Assembly on 03.09.2021, calling for the implementation of the "People's Campaign against throwaway plastics" through Tamil Nadu Pollution Control Board (TNPCB) which will be undertaken by launching a people's movement in each District inviting stakeholders from various sectors like Traders Associations, Social Clubs, Merchants Association, Citizen Bodies and Leaders from Local bodies.

In this regard, the Government of Tamil Nadu has issued a G.O. (Ms) No. 116 of Environment, Climate Change & Forest (EC.2) Department dated 27.11.2021 notifying the following four strategies to be adopted to fight plastic pollution and eliminate single use throwaway plastics.

- Support people's movement against plastic through communication that is impactful and innovative.
- Design a framework for effective monitoring and reporting on implementation of the plastic ban across the State.
- Coordinate and interface with stakeholders to design and popularize sustainable eco-friendly alternatives.
- Work with Industry, Micro, Small and Medium Enterprises and other stake holders to create a road map for large scale production of eco-friendly alternatives to plastic packaging through workshops, seminars and knowledge sharing.

Manjappai¹ Vending Machine – a novel initiative to dispense traditional cloth bags

In support to the campaign and to make Manjappai available and accessible to public and reduce the usage of plastic carry bags, the Government of Tamil Nadu came up with a first of its kind cloth bag vending machine and has installed these at strategic locations like markets, malls, public building premises etc.

The Additional Chief Secretary, Environment, Climate Change and Forests Department inaugurated Manjappai vending machine at the Koyambedu Market Complex on 5.6.2022 to facilitate the easy availability of cloth bags for the consumers. This initiative has been very successful as public got a bag from the vending machine by inserting Rs.10 coin or note. The manjappai vending machines has been well appreciated by the public and an average of 50 bags per day is utilized in the Koyambedu Market Complex.

In the last year (2023-24), the MVMs were launched in multiple locations including Vandalur Zoo, Kilambakkam Bus terminus, District Central Library Tiruvanmayur etc., considering the high footfall in these locations. The Collectors in all the districts are taking initiative of installing the Manjappai vending machine in Collectorate campus, Bus depots, Railway stations, Malls etc.

- Number of Manjappai Vending machines installed- 166
- Total No. of Manjappais distributed through Manjappai Vending machines – 369,375
- No. of Reverse vending machines installed – 11

Further in order to ensure successful implementation in all the districts a grant of Rs. 380 lakhs to all the 38 District Collectors (Rs.10 lakhs each) were given to carry out the following list of activities

- i. Meendum Manjappai Awareness campaign
- ii. Beach / tourist spot cleaning and making it Plastic free area
- iii. Cleaning Pilgrim Centres in the District and to make it plastic free
- iv. Conducting Marathon / Walkathon/ Rally to create awareness

¹ Manjappai- Yellow Cloth Bag

- v. Conduct of expo on Eco- friendly/ Eco-Alternatives to encourage eco-friendly manufacturers.
- vi. Conducting District Level Competition among school students.
- vii. Display of posters in predominant locations regarding banned SUPs
- viii. Seizure of banned SUPs in the district with the assistance of Local Bodies.
- ix. Installation of Manjappai Vending machine.
- x. Training programme for creation of awareness among the street vendors / Roadside eateries / retailers / commercial establishments /Hotels / Industries etc.

The details of the utilisation has been collected from SUP of the district collectors and they have conducted awareness activities related to the above mentioned activities.

Manjappai Awards

In order to encourage the use of alternatives to Single Use Plastic (SUP) carry bags and other banned SUPs and to revive the use of traditional eco-friendly alternatives, such as the Manjappai (Yellow bag) by the schools, colleges and commercial establishments, Manjappai Awards were announced to the best schools, colleges and commercial establishments which effectively implement the ban on SUPs in their campus. The best college and the best school will win an award of Rs.10 Lakhs each, an award of Rs.5.00 lakhs each shall be given to those securing the second position and Rs.3.00 lakhs each to those securing the third position. A total of Rs.54.00 lakhs will be allocated for the same. This award acknowledges and rewards the outstanding efforts of schools, colleges, and commercial establishments in eliminating SUP and encouraging the use of eco-friendly alternatives, including the traditional Manjappai (Yellow bag). During the World Environment Day 2023, the Manjappai award was awarded to three best schools, colleges and commercial establishments which were implementing the plastic free environment. By recognizing and celebrating excellence in plastic waste management, this initiative inspires institutions to lead by example and contribute to a plastic-free environment.

Manjappai award ceremony on World Environment day celebrations 2023

Meendum Manjappai website and Manjappai app

TNPCB has launched the Meendum Manjappai website and App during the World Environment Day 2023. The website and app are designed for the public and it enables them to easily know the details of Single Use Plastic items banned by both the State and Central Government, the details of awareness campaign conducted on the ill effects of Single Use Plastic products, which are banned throughout the State of Tamil Nadu and details of district-wise enforcement undertaken by authorities to curb the use of banned Single Use Plastics. Also, details of various Eco-friendly product manufacturers (list of eco alternative manufacturers provided in the annexure A ii) and also district wise recyclers of plastic waste (provided in annexure A iii) are made available in the website. Further, District wise locations of Manjappai Vending Machine are available in the website. Over the period April 2023 to March 2024, there were a total of 15,000 public views on the Meendum Manjappai website and more than 1200 downloads for the Meendum Manjappai App.

Chennai

Chennai, the capital of Tamil Nadu is one of the main metro and fourth most populated agglomeration in India. The largest industrial and commercial center, Chennai is located on the south-east coast of India. Its rich cultural heritage with bustling economic activities has made it truly a cosmopolitan city successfully drawing people across India and the world. Chennai's economic base is anchored by the automobile, IT, medical tourism, hardware manufacturing, data centers and ITech industry.

Awareness to school children through animation videos

Tamil Nadu Pollution Control Board collaborates with the School Education Department of Tamil Nadu to create and broadcast animated videos of ill-effects of banned single use plastics on the Illam Thedi Kalvi TV channel. These videos serve as powerful educational tools to inform students about the harmful effects of SUP and raise awareness about the Meendum Manjappai Campaign. The strategic use of television and social media ensures that these educational resources reach a wide audience, fostering an understanding of the importance of responsible plastic usage and disposal and environmental conservation.

Animated awareness videos on the ill-effects of SUPs and promotion of ecoalternatives targeting the school-going age group are screened at schools and uploaded to the TNPCB YouTube channel and website since January 2023. The videos aim to engage the students while making them aware of the seriousness of the problem of using SUPs. Till date close to 50000+ schools (Government and aided) have been approached for broadcasting the awareness videos.

Manjappai Kiosk

Government of Tamil Nadu has been actively undertaking a number of awareness creation initiatives as a part of the Meendum Manjappai campaign. There are number of innovative measures undertaken, one such initiative is the setting up of a 'Meendum Manjappai Kiosk' in the beaches. These kiosks are set up for creating awareness among the visitors to the beach regarding the impact of inappropriate disposal and use of banned SUPs and regarding the use of eco-alternatives to SUPs. So far, the kiosks are set up at Besant Nagar and Neelangarai Beaches in Chennai. It is planned to be set up in other coastal districts as well.

Used shipping containers of 20 ft length are modified and made as kiosks for monitoring litter in the beaches. The containers are modified to accommodate and provide access to the Manjappai Vending Machines inside the kiosk. More than 1000 Manjappais have been distributed through the MVMs at the kiosks since the last 4 months.

The kiosk also has a display of eco-alternatives to SUPs and a directory with the details of eco-alternative manufacturers across Tamil Nadu. The kiosk has witnessed 5000+ visitors and school children from 14+ schools have visited to undertake beach cleanups or other awareness building sessions at the Kiosk. The

successful model of these two kiosks has urged the Government to set up these kiosks in all 14 coastal districts of Tamil Nadu and will be launched in the near future.

Meendum Manjappai Beach Litter Kiosk at Besant Nagar

Hackathon on Single Use Plastic Reduction

The Tamil Nadu Pollution Control Board (TNPCB) as a part of mission LiFE conducted Enviro Solvers Hackathon as a collaborative event conducted aimed towards finding innovative solutions to environmental challenges associated with ill effects of single use plastics. The hackathon brought together a diverse group of participants, including college students, engineers, and environmental enthusiasts, MSMEs, Industries, NGOs and research professionals. Applicants had provided solutions for various pressing issues related to SUPs such as alternative packaging, promoting eco alternatives, IOT and AI enabled solutions for phasing out SUPs etc. The event saw a participation of more than 1000 applicants making it a grand and effective event. The winning solutions were as following;

Winners	Type of Solution
First Prize	Innovative, Cost-Effective And Viable Edible And Eco-Friendly Alternatives In Food Packaging For Circular Economy

Second Prize	Sustainable Food Packaging materials from Sun hemp fibres as a substitute for synthetic plastics in food industry
Third Prize	AGRIVERY- Sustainable package container and methods of improving shelftime of food items thereof
Third Prize	Plasti-Track (Cloud based Mobile Application)
Third Prize	THUTRI - One-Stop Platform for SUP Alternatives

Enviro-solvers Hackathon award ceremony on 5th June 2023

Meendum Manjappai Hackathon

As part of the Meendum Manjappai campaign, the Government has been distributing Manjappais through the vending machines and directly to the public during awareness programs. The Manjappais distributed at present is priced at Rs. 20 per bag and is still not affordable compared its SUP counterpart. The Government wants to provide the Manjappais at a price of Rs. 1 per bag.

The Government wanted to leverage the innovation and creativity of researchers and entrepreneurs in the State through Hackathon, to come up with a Manjappai that will cost close to Rs. 1. The registration for the event commenced on 8th of November 2023 took place until 23rd November 2023. The total registrations received were 755 and around 581 registrants were shortlisted.

The detailed proposals were received from 229 participants and 15 of them were shortlisted for the finale presentation. Innovative proposals at cost less than Rs. 5 has been received from across the State. The presentation was held in January 2024 and the winners will be declared soon. The top solutions received include carry bags made from sea weed, cotton and fibre from used cloth.

Manjappai Hackathon Certificate ceremony

Mega beach-clean-up drive

Under the LiFE Mission, mega-beach clean-up drives were carried out in 3 beaches (Kovalam, Mannakudi and Besant Nagar) on May 21th, 2023 in Tamil Nadu to promote consciousness among the general public about problem of beach litter. Dignitaries like the Minister for Environment graced the event, which helped gain publicity for the event in multiple newspapers, helping to pass on the awareness messages. School students served as volunteers for the program, which helped in involving them actively in tackling the problem of beach litter and educating them about the enduring impacts of plastic on marine ecosystem.

Beach Clean Up at Besant Nagar Beach by Students

Plastic-free zones

The Government has declared prominent places with high footfall like the Tanjore Big Temple, Vellore fort, Madras High Court, High court of Madras Madurai, Marudeeshawarar Temple, All temples in Tamil Nadu, Government offices in Tamil Nadu, Thiruvananthapuram, District Library, Thiruvananthapuram, Semmozhi Poonga Chennai, Yercaud Hills, Dhoddabetta, Nilgiris district, Botanical garden, Nilgiris district and Tamil Nadu Secretariat, Thiruchandur in Tuticorin district as plastic-free zones, where the use of single-use plastics is prohibited. Such initiatives while helping to reduce the plastic in use and circulation, shall also instill a behavioral change.

In a significant move towards environmental sustainability, the Chennai Metropolitan Development Authority (CMDA) has issued an order declaring the Kalaignar Centenary Bus Terminus (KCBT) located at Kilambakkam a single-use plastic (SUP)-free zone. The order encompasses implementation of the ban on Single Use Plastics as per the G.O (Ms) No. 84, Environment & Forest Department of Tamil Nadu Government (EC. 2) Notification dated 25.06. 2018 (EC2) ordering a comprehensive ban on the use, sale, storage, and distribution of a wide range of single-use plastic items. Items such as plastic carry bags, cutlery, straws, and packaging films will no longer be permitted, encouraging visitors and stakeholders to opt for sustainable alternatives. This bold step is intended to foster sustainable practices, reduce plastic waste generation, and promote a cleaner and healthier environment for passengers, staff, and the community at large. To support the transition, CMDA in association with TNPCB has outlined clear guidelines and exemptions encouraging.

Businesses and vendors within the terminus to adopt eco-friendly alternatives such as paper products, cloth bags, and biodegradable materials. A meeting was also conducted by the TNPCB with the KCBT officials and shopkeepers on 20-05-2024 to brief on the order and the best practices to be adopted. Water dispensers and refillable bottles will also be made readily available to discourage the use of single-use plastic water bottles.

Manjappai Brigade

Awareness generation is an important part of the Meendum Manjappai campaign. Government of Tamil Nadu is actively undertaking initiatives to spread awareness among the public and also monitor the adoption of the ban against usage of Single Use Plastics (SUP) ban. One of the innovative ways in which TNPCB is spreading awareness is through a fleet of 11 electric bikes and 2 electric cars. These vehicles are customized with messages to raise awareness. The vehicles will be used to increase the outreach and educate the public about the significance of reducing the use of Single Use Plastics (SUPs) in our daily lives.

The brigade has till date covered more than 5000 kilometers and more than 300 locations for awareness generation. They have helped in identifying 70 shops and 7 Godowns who were using banned SUPs. Around 15 shops selling SUPs were identified and sealed by the Greater Chennai Corporation.

Meendum Manjappai Brigade

Inspections and raids conducted based on the information shared by the Meendum Manjappai Brigade

Setting up stalls at exhibitions

Stalls promoting eco-alternative products and Manjappai vending machines were set up at various exhibitions like the Chennai Food Mela, India tourism and trade fair, Rotary club sustainability, Climate Summit 2023-24 and wellness expo, India International EV show, climate summit etc. The placing of stalls at events with high footfall like these helps raise awareness and visibility about the eco-friendly alternatives available to commonly used SUP items.

Street plays and cultural programs through “Message on wheels”

Street plays, folk dances and cultural programs were carried out by professional drama troupes at strategic locations like railway stations, bus stands, and markets, which helps engage the general public and create a long-lasting impression on their minds about the seriousness of the issue of SUP usage.

Launch of the Message on Wheels campaign on June 5th 2024

Outcomes of the Meendum Manjappai Campaign

- 1. Increased awareness among the general population on ill-effects of plastic:** The general population is more aware of the impact of using plastic on the environment and human health due to the sustained awareness activities conducted by the state.
- 2. Wider adoption of cloth bags:** There is an increased use of cloth bags across the state, with around 3.5 lakh Manjappais having been disseminated through vending machines and during events.
- 3. Reduction in quantity of banned SUPs seized per raid:** The average quantity of banned Single Use Plastics seized per raid from raids conducted by the Urban Local Bodies have come down from 4.5 kg in December 2021 to 1.6 in July 2023.
- 4. Increased visibility for eco-alternative manufacturers:** Manufacturers of ecofriendly alternatives to commonly used plastic items have gained increased visibility through platforms like the Manjappai website and the National Expo on Eco-alternatives. The list of 725 eco alternative manufacturers has been provided in annexure A ii.
- 5. Increased incentive to make premises single use plastic-free:** Educational establishments like schools and colleges, and commercial establishments like

offices and hospitals have been incentivized to make their premises single use plastic free, with the recognition being provided through the Manjappai awards.

- 6. Encouragement of innovative solutions to reduce plastic usage:** Coming up with innovative solutions to reduce the use of plastic in various activities has been encouraged and rewarded through initiatives like the Enviro Solvers Hackathon.
- 7. Livelihood opportunities for women in unemployment:** Women from SHGs and women in need of employment have been engaged in the making of Manjappais and other initiatives like the Green Messengers program.

State Level Special Task Force

Government have constituted a State level Special Task Force (STF), under the Chairmanship of Chief Secretary to Government, Government of Tamil Nadu vide G.O. Ms.No.25 E & F dated 25.02.2022. The main aim is to measure and to eliminate single use plastic and also to prepare a Comprehensive Action Plan for the implementation.

Terms of reference for The State Level Special Task Force

1. To prepare Comprehensive Action Plan for implementation of PWM Rules, 2016, plastic ban notification issued by Government of Tamil Nadu & phasing out of SUPs.
2. Assess plastic waste generated in State with respect to collection, recycling and end of life disposal and identify gaps in plastic waste management (Reduce, Reuse and Recycle) - policy, implementation, enforcement, infrastructure etc.
3. Strengthen policy, regulatory, institutional mechanisms/structures for the implementation of PWM Rules 2016 and phasing out of SUP in the state, design appropriate management strategies and allow for allocation of financial resources for PWM including leveraging of funds from Swachh Bharat Mission.
4. Take measures for effective enforcement of (i) PWM Rules, 2016, & (ii) State specific bans imposed on identified single use plastic items.
5. Develop policies for adoption of alternatives to be identified against single use plastic items prohibited under PWM Rules, 2016, as amended.

6. Take measures to strengthen Urban Local Bodies/Gram Panchayats for segregation, collection, storage, transportation, processing, disposal of plastic waste.

State level Special Task Force meeting were held on 05-03-2022, 02-03-2023 and 22-02-2024. All the nodal departments have been addressed to implement the action points and take necessary initiatives for massive success in the State of Tamil Nadu. The details of the minutes of the meeting and the action taken by the nodal departments has been provided in the annexure A v.

Annexure A i- Details of violations and action taken

Municipality	Details of violations and action taken on non-compliance of provisions of PWM Rules, 2016, as amended, 2018				
	Rule	Provisions	Violator	Nature of Violation	Action Taken
Thirumangalam	14 (1)	Retailers or sheet vendors shall not sell or provide commodities to consumer in carry bags or plastic sheet or multi-layered packaging, which are manufactured and labelled or marked, as per prescribed under these rules	Retailers	Storing of selling	Fine imposed
Melur	14 (1)	Retailers or sheet vendors shall not sell or provide commodities to consumer in carry bags or plastic sheet or multi-layered packaging, which are manufactured and labelled or marked, as per prescribed under these rules	Implemented	Implemented	Fine Imposed
Usilampatti	4 (c)	Carry bag made of virgin or recycled plastic, shall not be less than fifty microns in thickness	6	Using of carry bags	Fine Imposed
	8 (1) (b)	The waste generator shall not litter the plastic waste	1	Littering of waste in Road sides	Fine Imposed
Bodinayakanur	4 (c)	Carry bag made of virgin or recycled plastic, shall not be less than fifty microns in thickness	10	Using of carry bags	Fine imposed
	6 (2)(g) & 7	Ensuring that open burning of plastic waste does not take place	5	Burning of Plastics	Fine imposed
	8 (1) (b)	The waste generator shall not litter the plastic waste	14	Littering of waste in Road sides	Fine imposed
Periyakulam	4 (c)	Carry bag made of virgin or recycled plastic, shall not be less than fifty microns in thickness	184	Usage, Storage and Selling the Single Use Plastics and banned plastics	Seized the Single Use Plastics, Banned Plastics
Kodaikanal	4 (c)	Carry bag made of virgin or recycled plastic, shall not be less than fifty microns in thickness	27	Using of carry bags	Fine imposed
	6 (2)(g) & 7	Ensuring that open burning of plastic waste does not take place	7	Burning of Plastics	Fine imposed

Environment, Climate Change and Forest Department

Special Task Force on the implementation of Single Use Plastic (SUP) ban

1. Minutes of Meeting on Second Special Task force meeting held on 02.03.2023
2. Action taken report of Second Special Task force meeting held on 02.03.2023
3. Minutes of Meeting on Third Special Task force meeting held on 22.02.2024

Minutes of the 2nd meeting Special Task Force on the implementation of Single-use plastic (SUP) ban held on 02.03.2023 under the chairmanship of Chief Secretary to Government

The Additional Chief Secretary to Government, Environment, Climate Change and Forest Department welcomed the Chief Secretary to Government and the members of the Special Task Force and briefed about the implementation of the single-use plastic ban in the State of Tamil Nadu.

The Additional Chief Secretary to Government, Environment, Climate Change and Forest Department made a presentation narrating the status of enforcement of single use plastic ban, Awareness for Meendum Manjappai campaign, Extended Producer Responsibility, Support and actions taken to Central Pollution Control Board's directions in Tamil Nadu State. Following points were detailed :-

- (a) Awareness and promotion of alternatives to prohibited Single Use Plastics items
- (b) Action taken against the violators (manufacturers and sellers) of banned Single Use Plastics.
- (c) Details on Special Enforcement raids conducted in the month of October, November and December, 2022
- (d) Prevention of illegal entry of banned items
- (e) Extended Producer Responsibility on plastic packaging and formation of Extended Producer Responsibility Cell
- (f) Study and Survey to make High court and Secretariat premises as Single Use Plastics free campus
- (g) Details on Eco Alternatives expo & start up conference, release of eco alternatives directory and the handbook on the expo.
- (h) The role and responsibilities of various line departments and action taken to support Single use plastic Ban.

As per the action points discussed during the previous State Task Force meeting held on 05.03.2022, the action taken by each department were discussed during the meeting and the following action points emerged on various roles and responsibilities for each nodal departments in addition to the actions which was discussed in the previous minutes.

- To have green messenger in each schools and colleges.
- To include school and college students for awareness activities.

(Action: School Education & Higher Education Department)

- All Urban Local Bodies offices and Panchayat offices to be made Single Use Plastics free campuses.

- All markets (Uzhavar Santhai) to be made Single Use Plastics free.

(Action: MAWS & RDPR Department)

- To have a management level position staff posted in managing the waste generated at hospital premises.
- Review of biomedical waste with Tamil Nadu Pollution Control Board and Health department.

(Action: Health and Family Welfare Department)

- No flex banners made of plastics to be used in the stadium and a clause in the agreement with contractors of events to not use plastics during events.
- Appoint green ambassador for awareness in Urban Local Bodies and the youth can spread awareness on use of eco alternatives.
- To involve National Service Scheme, National Cadet Corps, Scouts & guides for awareness related activities.

(Action: Youth Welfare & Sports Development Department)

- To strengthen the backward and forward linkages for Self Help groups and their eco alternative products.

(Action: Labour welfare & Skill Development Department)

- DIPR to provide more awareness on the programmes on social media continuously and at regular intervals.

(Action: Information & Public Relations Department)

- To develop market for Eco alternative manufacturers to export their products to other countries. To have higher margins for exports so that the products can be sold at reasonable prices in Tamil Nadu.
- Seizure of vehicles involved in cross border transport of Banned Single Use plastic.
- To check for Littering of Tamil Nadu State Marketing Corporation Limited bottles near tourists spots.

(Action: Home, Prohibition and Excise Department)

- To direct all District Collectors to have meetings with Hoteliers, eco alternatives manufacturers to develop linkages and promote eco alternative products.
- Training on Extended Producer Responsibility and Single Use Plastic Awareness for local bodies and Producers, Importers and Brand Owners.

- Awards for Best media coverage on Single use plastics.
- The Manjappai Express to include a coach showing the complete process of recycling of plastic.
- To select a model district to make it Single Use Plastic free.

(Action:TNPCB)

- No flex banners made of plastics to be used in the stadium, mall, Botanical Garden, tourist spots and common places.
- To incorporate a clause in the agreement with contractors to not use Single Use Plastic during events.

(Action: Common to all Departments)

After the detailed deliberations, the Chief Secretary to Government concluded the meeting with the following remarks:

- All the Secretaries of Departments shall support and promote use of eco alternatives.
- All District Collectorates shall be made Single Use Plastics free campus and the District Collectors shall constantly review the nodal departments on awareness and enforcement activities.
- Tamil Nadu Secretariat to be made Single Use Plastics free and the commercial shops to have tie ups with Self Help Groups for alternatives.
- All Departments to implement the action points discussed and update the status in a specified format.
- Traditional practices need to be followed to avoid the use of Single use plastics and the co-ordination of all Departments is required to achieve the same.

The list of officers who participated in the meeting is enclosed in the Annexure.

Yours faithfully,

21/3/2024

for Additional Chief Secretary to Government.

21/3/2024

Minutes of the 3rd meeting of Special Task Force on the implementation of Single-use plastic (SUP) ban held on 22.02.2024 under the chairmanship of Chief Secretary to Government

The Additional Chief Secretary to Government, Environment, Climate Change and Forest Department welcomed the Chief Secretary to Government and the members of the Special Task Force and briefed about the implementation of the single-use plastic ban in the State of Tamil Nadu.

The Additional Chief Secretary to Government, Environment, Climate Change and Forest Department made a presentation narrating the Multipronged Approach adopted to ban SUP in the State which includes Awareness Activities, Advocacy, Enforcement of ban, Promotion of Eco Alternatives and the current status and way forward of the Department to ban SUP and the following activities were presented.

- (a) Activities being taken up under Awareness Activities such as MeendumManjappai Campaign, Manjappai vending machines, Manjappai beach kiosks, beach cleanups, establishment of Manjappai Brigade etc.
- (b) Activities being taken up under Advocacy such as Manjappai Awards, creation of SUP Free Zones, establishing the Fishnet collection centres, Climate Warriors, Enviro solvers Hackathon.
- (c) Activities being taken up under Enforcement of ban such as Targeted enforcement drives, establishment of plastic check posts in Tiger Reserves, Eco tourism Sites and Coastal areas by Forest Department, Manjappai Brigade.
- (d) Activities being taken up under Promotion of Eco Alternatives such as National Eco alternatives expo, Directory on Eco alternatives, Bag-it Hackathon 2023, Scaling up of solutions and listing of manufacturers in App and Website
- (e) Monitoring and Evaluation of SUP ban through Enforcement monitoring dashboard, Manjappai Brigade Monitoring Dashboard, Meendum Manjappai dashboard and Establishment of PMU to assist TNPCB in SUP ban and EPR implementation.
- (f) The roles and responsibilities of various line departments and action taken to support Single use plastic Ban.
- (g) Prevention of entry of banned SUP in the State and further distribution through stockists and distributors.
- (h) Organizing the government events as SUP free and Net zero, developing rating mechanism for plastic free
- (i) Introducing the Buy-back programmes for glass bottles and plastic, especially in the areas near the reserve forests
- (j) Integrating the Manjappai awareness campaign with the SBM Urban SBM Rural
- (k) Usage of banned SUP in major tourist destinations including the Marina Beach
- (l) Extended Producer Responsibility on plastic packaging

As per the action points discussed during the 2nd Special Task Force meeting held on 02.03.2023, the action taken by each department were discussed during the meeting and the following action points emerged on various roles and responsibilities for each nodal department.

- The importance of awareness programmes in schools and colleges for the long-term benefits to be considered such that 100% schools and colleges in the State should go through the Manjappai awareness activities and shall achieve SUP free Schools and Colleges
- Organise eco alternatives seminars, workshops & exhibitions within the premises of schools and colleges with the help of eco clubs, NGC coordinators etc.
- All canteens in the educational institutions to be made SUP free.

(Action: School Education Department & Higher Education Department)

- Seizure of vehicles involved in cross border transport of banned Single Use plastic.
- TASMAT to roll out buy-back programmes for glass bottles and plastic, especially in the areas near the reserve forests in coordination with the Environment, Climate Change and Forest Department.

(Action: Home, Prohibition and Excise Department)

- Ensure strict and targeted enforcement activities to ensure banned SUP items are not sold by shopkeepers, particularly Stockists and distributors. Shops with repeat offenders shall be sealed.
- Organize targeted awareness activities in each market.
- Manjappai vending machines shall be installed in all markets, especially in the vegetable and fruit markets.
- The area or locality or zone in which the Manjappai vending machine is installed shall be declared as SUP free zone.
- Establish a committee constituting the members of MAWS Department, RDPR Department, Environment, Climate Change and Forest Department to prepare a strategy and action plan for SUP ban. The Committee shall take measures to integrate the Meendum Manjappai campaign with Swachh Bharat Mission (SBM) Urban and SBM Rural and develop a strategy for integrated awareness campaigns. The Committee shall meet frequently to review the progress of the SUP ban and awareness activities. A subcommittee shall be formed constituting the members of DTP, CMA, GCC, TNPCB and RD&PR to effectively monitor the implementation of SUP ban and the enforcement activities.
- Constitution of City Level taskforce to monitor SUP ban in million plus cities (Chennai, Madurai, Coimbatore).
- Ensure stoppage of flow of littered plastic waste leaking into natural water bodies, streams and rivers.
- Local Authorities (urban and rural) to make assessment of plastic waste generated.

- Local Authorities to engage with Producers, Importers, Brand Owners (PIBOs) and Plastic Waste Processors to further strengthen collection, processing and disposal of plastic waste.
- All urban local bodies shall register themselves in the CPCB EPR portal.
- Greater Chennai Corporation to engage volunteers in large numbers to create awareness and advocate for SUP ban in the major tourist destinations such as Marina beach and market places. The volunteers in association with GCC shall also check the usage of banned SUP.

(Action: MA&WS & RD&PR Department)

- Ensure banned SUP items are not sold by shopkeepers in and around temples.
- Facilitate or provide Alternatives to shopkeepers like cane baskets, compostable bags etc.
- Shops which are violating the ban to be closed or their licence to be revoked.
- Volunteers shall be appointed at the entrance of the temples to check the usage of SUP.

(Action: Hindu Religious & Charitable Endowments Department)

- Ensure hotels/restaurants/cateries do not use banned SUP items.
- Ensure Take away facilities and food delivery platforms such as Swiggy, Zomato etc. are regularly inspected for the control of SUP usage

(Action: Health & Family Welfare Department; and Food Safety and Drug Administration Department)

- To involve NSS, NCC, Scouts & guides for awareness related activities.

(Action: Youth Welfare & Sports Development Department)

- Manufacturers of banned SUP within the State to be identified and shall be closed.
Ensure all the stakeholders of EPR i.e. PIBOs and PWP's are registered in the CPCB EPR portal

(Action: TNPCB)

After the detailed deliberations, the Chief Secretary to Government concluded the meeting with the following remarks:

- All departments of the Government should effectively work to make the State of Tamil Nadu as SUP Free
- All Government offices including the canteens in the premises of Government Offices to be made SUP free.
- All departments shall ensure that the Government events / conferences / conclaves are SUP free events and shall attempt to be a net zero event. The Environment, Forest and Climate Change Department shall provide suggestions to line departments for organizing net zero events.

- Based on the proposal of Environment, Forest and Climate Change department, the following three departments shall be included as additional members of the State level Special Task Force
 - Handlooms, Handicrafts, Textiles and Khadi Department
 - Tourism, Culture and Religious Endowments Department
 - Food Safety and Drug Administration Department

SUPRIYA SAHU
ADDITIONAL CHIEF SECRETARY TO GOVERNMENT
